

Artist Interview Series Question Guide

- How did you get involved with the Milken Archive to begin with?
- Describe your experience with Jewish music prior to your involvement with the Milken Archive.
- How might your experience with the Milken Archive have impacted or influenced your career?
- Update us on your career since working with the Milken Archive. What are you working on today? What are some of the highlights or accomplishments you're particularly proud of?
- What stands out when you reflect on your experience recording for the Milken Archive? Can you share a favorite memory or anecdote?
- Did working on the Milken Archive change your connection to—or conception of—Jewish music? If so, how?
- How do you think the Milken Archive has impacted the field of Jewish music in general? If you work outside of Jewish music, do you think it has had an impact on the music world more generally?
- Do you have a favorite recording (audio or video) from the Archive's collection? What is it and why?
